Registration is required where noted. To register for a program or for more information, please visit the online DCNR Calendar of Events at <http://events.dcnr.pa.gov>

Hike With Ranger Mike

Saturday, May 6

6:00pm – 7:00pm

Amphitheater

Join Ranger Mike on an interpretive hike along the Nature and Lowlands Trails. Learn about some of Pennsylvania's trees and critters we often see in the park.

Exploring the Night Sky

Saturday, May 27

8:30 pm -10:00pm

Beach Area

Experience the beautiful night sky over Chapman State Park! This program will include stories about the stars, a laser-guided tour of constellations, and views of planets and stars through the park telescopes. Learn about light pollution and how to preserve dark skies.

Please, bring a blanket or chair to sit on during the program. Registration is required for this event. Program will be cancelled in the event of rain or thunder. If the program is cancelled an email will be sent out to all registrants.

Tour de Park

Friday, May 19

4:00pm -5:00pm

Amphitheater

It is "I Love my State Parks Week", and what better way to learn about State Parks, then on an interpretive bike ride around Chapman State Park. Bike with Ranger Mike, as he shares the history of state parks and why they are so important. Bring your own bikes and helmets for this program. Recommended for ages 12 and up.

Intro to Fishing

Sunday, May 28

9:00am – 11:00pm

Parking Lot 1

This program will cover all the basics to help you get started with fishing. We will provide the fishing supplies needed, but supplies are limited, so please bring your own if you have it. Registration is required for this event.

Chapman State Park

The 2023 Chapman Knap-In

Saturday, May 13
10:00am– 3:00pm
Pavilions 1 & 2

Travel back in time with Chapman State Park and Hearts Content Stone Points learning all about primitive life and skills of the past. This event will have hands-on interactive demonstrations of flint knapping, blacksmithing, wood carving, and more!

This event is free and will have activities suitable for all ages!

We hope to see you there!

Native Species Day

Thursday, May 18th is Pennsylvania Native Species Day! There are approximately 2,100 native plants in PA. Visit your local State Park to check out your favorite Native Species. Capture photos and use #PANativeSpeciesDay to share your findings with others!
